Horizon International School

# PARENT HANDBOOK

**Introduction**

Welcome to Horizon International School. This handbook helps parents understand school policies, expectations, and how they can support their children's learning.

## The School Vision

We guarantee an environment that fosters an excellent education system for our students, focusing on quality not quantity, taking into consideration the significance of their Arabic culture and their participation in an increasingly global society.

## The School Mission Statement

The school staff will use a variety of ways to achieve the following beliefs:

1. producing quality services and activities that participate in developing both the individual and the community
2. introducing quality values and skills to our students to be global citizens
3. constructing a community that brings a variety of nationalities in harmony

## Parent Responsibilities

Parents are expected to:

- Support their child’s learning
- Ensure regular attendance
- Communicate with school
- Follow school policies

## Student Learning

The school provides:

- High-quality teaching
- Regular assessments
- Support for all learners

Parents should monitor their child’s progress.

## Communication with School

Parents can:

- Contact teachers
- Attend meetings
- Participate in surveys

## Assessment & Reports

- Students are assessed regularly
- Parents receive reports
- Meetings are held to discuss progress

## Behavior Expectations

- Students must follow school rules
- Parents support positive behavior
- School handles behavior issues professionally

## Attendance Policy

- Students must attend regularly
- Parents must inform school of absences

## Safety & Wellbeing

The school ensures:

- Safe environment
- Emergency procedures
- Student support systems

## Parent Involvement

Parents are encouraged to:

- Attend school events
- Support school initiatives
- Participate in their child’s learning

## Conclusion

The school and parents work together to support student success and development.
